Part A	General Safety and Health Provisions 296-155-001 through 296-155-040
Part B-1	Occupational Health and Environmental Control 296-155-100 through 296-155-17654
Part B-2	Hazard Communication 296-155-180
Part C	Personal Protective and Life Saving Equipment 296-155-200 through 296-155-240
Part C-1	Fall Restraint and Fall Arrest 296-155-245 through 296-155-24525
Part D	Fire Protection and Prevention 296-155-250 through 296-155-280
Part E	Signaling and Flaggers 296-155-305 through 296-155-315 Note: Section 296-155-300, Accident prevention signs and tags, has been repealed. Part E - Signs, Signals and Barricades name changed to Signaling and Flaggers
Part F	Material Handling, Storage, Use and Disposal 296-155-325 through 296-155-34920
Part G	Tools-Hand and Power 296-155-350 through 296-155-380
Part H	Welding and Cutting 296-155-400 through 296-155-420
Part I	Electrical 296-155-426 through 296-155-462
Part J	Stairways and Fixed Ladders 296-155-475 through 296-155-48090 Note: Portable ladder requirements for the general and construction industries have been moved to chapter 296-876 WAC, Portable Ladders
Part J-1	Elevating Work Platforms 296-155-481 through 296-155-496 Note: The scaffold requirements for the general and construction industries have been moved to chapter 296-874 WAC, Scaffolds. The remaining sections contain rules for elevating work platforms
Part K	Floor Openings, Wall Openings and Stairways 296-155-500 through 296-155-515
Part L	Cranes, Derricks, Hoists, Elevators, and Conveyors 296-155-525 through 296-155-575 Note: Helicopters and Helicopter Cranes, 296-155-575 through 296-155-576 WAC, have been repealed and moved into chapter 296-829, Helicopters Used as Lifting Machines

Part M	Motor Vehicles, Mechanized Equipment, and Marine Operations 296-155-600 through 296-155-630 Note: Service Multipiece and single-piece rim wheels, 296-617 WAC, has been repealed and moved into chapter 296-874 WAC, Split (Multipiece) Rim and Single-Piece Wheels
Part N	Excavation, Trenching, and Shoring 296-155-650 through 296-155-66411
Part O	Concrete, Concrete Forms, Shoring, and Masonry Construction 296-155-675 through 296-155-699
Part P	Steel Erection 296-155-701 through 296-155-72406
Part Q	Underground Construction 296-155-725 through 296-155-74501
Part R	Miscellaneous Construction Requirements 296-155-755 through 296-155-770
Part S	Demolition 296-155-775 through 296-155-830
Part T	Possession, Handling, and Use of Explosives. Refer to Chapter 296-52, Explosives.
Part U	Power Distribution and Transmission Lines Refer to Chapter 296-45, Safety standards for electrical workers.
Part V	Rollover Protective Structures and Overhead Protection 296-155-950 through 296-155-965
